HOW TO USE

1. Put the Antennas above the TV Surface or around the TV;
2. Put the 9.5mm TV Plug into the 9.5mm TV Jack on TV body and make sure they have 100% contact;
3. Pull the rod longer if you want to get better signal;
4. Turn the antennas to some other directions in order to fins best signal effect;
5. Don't put anything onto the antenna in case that effects the signal receipt.
