| 2. Guide comb | 6. Switch On/Off |
| 3. Comb | 7. Indicator light |
| 4. Main body | |

3. BEFORE USE

1. Before operating this unit, please read these instructions completely and keep the manual in a safe place.
2. Use only the included adaptor to charge the clipper. Always keep the adaptor dry.
3. The adaptor converts the input voltage AC 100-240V into an output voltage DC 5V.
4. Keep the adaptor away from water and handle it only with dry hands, never clean the adaptor under water.
5. Disconnect the power cord from the clipper before cleaning.

4. CHARGING

1. Charge the clipper where the temperature is above 0°C and below 40°C.
2. Rated input voltage of the clipper is DC5V. Avoid charging the clipper too long time since it will shorten the product life.
3. Connect the power cord of the adaptor to the clipper, and plug the adaptor to an AC outlet. Or connect the adaptor to the charger-base, plug the adaptor to an AC outlet and insert the clipper in the charger-base.

CAUTION!

1. Storage the battery for a long period may result in over-discharge, due to self-discharge. In this case charge the shaver before using.

When you clean your clipper with fat-dissolving detergent (alcohol, etc.), please use a drop sewing machine oil to lubricate the clipper's head after cleaning.

5. DISPOSAL OF BATTERY

Remove the built-in rechargeable battery before disposal of the shaver. Please make sure that the batteries are disposed of at an officially assigned location, it should not be mixed with general household waste.

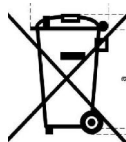

1. Disconnect the power cord from the shaver
2. Wait until the inner blades stop turning.
3. Remove the screws und open the shaver.
4. Take out the batteries.

When the batteries are taken out, never connect the power cord to the shaver again!

6. TECHNICAL DATA

Power input	3W
Input voltage	5V DC
Rechargeable time	8 h

7. CORRECT DISPOSAL OF THIS PRODUCT

This marking indicates that this product should not be disposed with other household wastes throughout the EU. To prevent possible harm to the environment or human health from uncontrolled waste disposal, recycle it responsibly to promote the sustainable reuse of material resources. To return your used device, please use the return and collection systems or contact the retailer where the product was purchased. They can take this product for environmental safe recycling.
